

## **Fact:** Deficiencies are reported<sup>1</sup> when bariatric surgery patients utilize standard supplements.

Products designed to meet the conditional nutrient needs of a Bariatric Surgery Patient are BEST.

**Science Based.** We research and design products to meet the specific needs of weight loss surgery patients and improve outcomes.

**Patient Focused.** We study the patient populations and create various forms and flavors to maximize adherence.

**Quality Made.** We manufacture in pharmaceutical grade facilities and are GMP certified. Each product delivers 100% of labeled ingredients.

Fatigue after bariatric surgery is common. Iron delivered with the Bariatric Advantage formulation that works.\*

### How?

#### The science.

##### Designed to improve outcomes

- Created specifically for bariatric patients' needs, using three key forms of Iron designed to minimize GI side effects\*
  - Ferronyl® Carbonyl Iron for the highest concentration and absorbability\*
  - Fumarate for patients that require a milder form of Iron
  - Orthophosphate formulation to maximize efficient absorption at lower concentration levels\*
- Includes Vitamin C to enhance absorption\*
- Includes Fructooligosaccharides (FOS) to improve uptake and stores\*
- Avoid use of ferrous sulfate (notorious for causing GI side effects)\*

#### The patients

##### Designed to maximize adherence

- Flavorful chewables and chewy bites in various dosage levels.
- Low incidence of stomach upset
- Non-constipating
- Fortified with additional Vitamin C

<sup>1</sup> The American Journal of Clinical Nutrition report, May 1, 2008, Vol 87, Number 5

\* These statements have not been evaluated by the FDA.  
This product is not intended to diagnose, treat, cure, or prevent any disease.

*Continued on reverse*

*Four targeted dosage levels and two forms to address specific patient needs and restore healthy cellular function.\**

### **Chewable tablets**

18 mg Iron

- 18 mg elemental Ferronyl® Carbonyl Iron
- 30 mg Vitamin C, supports absorption\*
- 5 mg Fructooligosaccharides (FOS) to aid uptake and body stores\*
- Strawberry flavor

29 mg Iron

- 29 mg elemental Ferrous fumarate Iron for less tolerant patients
- 60 mg Vitamin C, supports absorption\*
- 10 mg Fructooligosaccharides to (FOS) to aid uptake and body stores\*
- Passion Fruit flavor

60 mg Iron

- 60 mg elemental Ferronyl Carbonyl Iron
- 250 mg Vitamin C, supports absorption\*
- 10 mg Fructooligosaccharides to (FOS) to aid uptake and body stores\*
- Lemon Lime flavor

### **Chewy Bites**

30 mg Iron

- Popular alternative to a chewable
- 30 mg elemental Ferric Orthophosphate
- 60 mg Vitamin C to aid absorption\*
- Chocolate Raspberry Truffle flavor
